

MANITOWOC HOCKEY NEWS!!

August 2009

Greetings from Manitowoc Youth Hockey,

The Hockey season is just around the corner. As we prepare for the 2009-2010 hockey season we wanted to communicate with skaters and families from Basic Skate and County about the following program options for the 2009-2010 hockey season:

Basic Skate

Basic Hockey

Hockey League

For more details on each program, please see enclosure titled "Manitowoc Hockey Programs 2009-2010"

Manitowoc Hockey League Needs You! If you were in Basic Skate/Basic Hockey or County last season, consider trying the Hockey League! Participants have found that their skills improve at a faster rate because of the additional skating time and kids learn sportsmanship and have fun learning the game of hockey! This year we need kids ages 12 and under to help fill our Mite, Squirt and PeeWee teams. If you and your children enjoy the game of hockey consider joining this league!
