STANDING REPORTS

Fundraising: The Fundraising Committee is going to need full support of the Association members to help with selling tickets, and promoting the upcoming Blade Bash. Anyone can sponsor a casino table for \$200 (which would also cover needed fundraising hours), buy/sell raffle tickets- both the 10K and the meat/freezer along with team sponsored items. Team parents from all levels need to talk to their teams' parents about Blade Bash. Reminder that Blade Bash will be held Saturday, March 27th at the Holiday Inn.

Coaching: The Coaching Committee is trying to work on creating more standardization among all levels. They are trying to encourage the use of unused ice. Any family can purchase unused ice at anytime. Nathan has expressed interest in Vice Chairing the Coaching Committee. Will approach Scott Helling about position.

OPEN FORUM

To schedule usage of unused ice, contact Jeanelle or Kim in the office. Kim is available 12-4:30 Monday thru Friday. Mark will send out e-mail.

Senior night is coming up February 12- Blue Line Club will be issuing personalized pucks for seniors.

An idea to possibly provide ice time at little or no cost to beginners, or maybe providing gear to beginner players, trying to make it affordable at the start. Anyone with unused equipment lying around could donate it to be provided to first time players with the idea that it's easier to replace pieces here and there, rather than having to purchase everything at once.

Carmen should add to the newsletter; Nathan, Dick, Al and Louie can all sharpen skates on the weekends. We will need volunteers to help when we host playdowns at the Mite level.

Adjourned @ 7:50 pm.

Next regular Board meeting will be held at MCIC @ 7:00 pm on March 1, 2010.
