MCYHA Tryout and Coaching Selection Policy
After the evaluation and selection of all the players for the appropriate levels within the MCYHA program, Head Coaches will be selected by the Coaching Committee. To be a coach, assistant or manager can be very rewarding and some of our best coaches did not play high school or college hockey, but have developed in our system. We always need your help on the ice! Criteria for selection as a coach include the following:

Personal integrity & leadership	Communication Skills	Hockey Knowledge
Skating Skills Knowledge	Availability	Enthusiasm
Organizational Skills	Teaching & Coaching Experience	

Head Coach selections will occur **after** the tryouts to ensure the evaluation and selection of players remains objective and impartial throughout the entire process. The Coaching Committee may also assign an Assistant Coach to partner with the Head Coach. The Head Coach will then be responsible for choosing additional Assistant Coaches and a Team Manager. All coaching and manager selections will need to be approved by the Coaching Committee

Coaching Application, CORI form, USA Hockey Waiver and Coaching Ethic Agreement must be completed by all coaches, assistant coaches and team managers
