Dear MCYHA Parents and Skaters,

It certainly has been an exciting start to our season. Games have begun and we hope you can get to MCIC to catch some of your fellow MCYHA teams. Home games are listed in the newsletter for your convenience.

So far this season we have had two fundraisers, pizza sales and Skate-A-Thon. Both have brought MCYHA over \$3000 thus far. Please don't forget to pick up your pizzas on November 16th at Port Sandy Bay. Blade Bash committees are forming and we are in need of volunteers to fill those committees.

MCYHA Board members and MCFS Board members are working together to develop a three year plan to propose to the MCIC/EXPO Board which will include developments to increase revenue. Please note: there are no plans to close the ice center!! Jeff Beyer has verbalized his desire to work with us and MCFS to keep our doors open. This certainly is a workable problem that offers many solutions. Please feel free to contact me with any questions, suggestions or comments. If you hear something that concerns you or that you don't understand, please ask me. I will relay all information to association members as I receive it.

MCIC is our home for youth hockey! It is our duty to be respectful of one another and of our home away from home. Please report any acts of disrespect, vandalism or disregard of not only your fellow players, but of the MCIC property, to any board member. These behaviors will not be tolerated at any level! Parents must be responsible for their skater, at any age AND must be present to assist with closing up the rink and locking doors, turning off lights, etc.

A puck is a hard rubber disc that hockey players strike when they can't hit one another.

Jimmy Cannon

Good luck to all of our teams!

See you at the rink!
