Greetings!

Thank you for helping get the MCYHA season off to a great start! Our early season practices are nearly complete, and the games are about to begin.

We hope that each of our teams has had a Team Parent meeting by now and that you're planning for both the on-ice and off-ice activities that make hockey such a special experience for parents and players alike. We have some excellent leaders for both the Team Parent and Coaching roles this year, so give them your support!

Fund raising (which covers over 60% of MCYHA costs) is off to a good start, but your full support of each project is vital to keeping the Association successful. So, keep up the momentum right through the Blade Bash. Lori and her team are planning a fantastic fundraiser, but we need to score a goal on each of our projects leading up to the Bash.

While enthusiasm levels are great this year, player numbers are small on some teams. Please do everything you can to encourage others to join, and make both the on- and off-ice experience a real positive for all.

See you at the rink!

Mark Herzog
MCYHA President
